Dear Mr Quartermain,

Theatres Trust Annual Return

Please find below the details of the Theatres Trust's Annual Return for the 01 April 2016 to 31 March 2017 reporting period.

Background

Under the provisions within the Planning and Compulsory Purchase Act 2004 and in accordance with Article 23 of the Town and Country Planning (Development Management Procedure) (England) Order (DMPO) 2015, The Theatres Trust, as a statutory consultee, is required to:

a) provide a substantive response to consultations on pre-planning and registered planning applications within 21 days upon receipt of the documentation forming the consultation; and

b) submit a report (Annual Return) to the Secretary of State in compliance with the provisions under the Planning and Compulsory Purchase Act 2004 and the DMPO 2015.

Theatres Trust consultee status

The Theatres Trust is the National Advisory Body for Theatres. We were established by The Theatres Trust Act 1976 and The Theatres Trust (Scotland) Act 1978 ‘to promote the better protection of theatres’. These Acts apply to all theatre buildings in Scotland, England and Wales. Our 15 trustees are appointed by the Secretary of State for Culture, Media and Sport.

The Theatres Trust delivers statutory planning advice on theatre buildings and theatre use in England through The Town and Country Planning (Development Management Procedure) (England) Order 2015 (DMPO), Schedule 4, Para (x), that requires the Trust to be consulted on planning applications for ‘development involving any land on which there is a theatre’.

Local and Neighbourhood Planning

During the reporting period, the Theatres Trust provided a substantive response to 235 local plan consultations (including SPDs, CIL and masterplans), and four neighbourhood plan consultations within the timeframes provided.
Theatres Trust Statutory Remit

The Theatres Trust’s statutory remit in Wales was enhanced (commenced 16 March 2016) to include residential development near a theatre in order to help facilitate the development of quality residential buildings where amenity and noise issues next to a theatre could become a concern. The remit also includes ‘a proposed theatre’ to clarify that proposals for new theatres should also be referred to the Trust. The exact wording in the Town and Country Planning (Development Management Procedure) (Wales) Order 2012, Schedule 4, Para (r), (as amended in 2016) requires the Trust to be consulted in relation to planning applications for development involving:

(i) any land on which there is a theatre;
(ii) residential development (excluding householder development) within 50 metres of a theatre (not falling within paragraph (i)); or
(iii) a proposed theatre.

To aid the Theatres Trust to provide better protection for theatres, as per the Theatres Trust Act 1976, we request that our remit in England is expanded so that it is aligned with our statutory remit in Wales.

Please do not hesitate to contact us if we may be of further assistance.

Yours sincerely,

Ross Anthony
Planning Adviser
