Remit:

Theatres Trust is the national advisory public body for theatres. We were established through the Theatres Trust Act 1976 'to promote the better protection of theatres' and provide statutory planning advice on theatre buildings and theatre use in England through The Town and Country Planning (Development Management Procedure) (England) Order 2015, requiring the Trust to be consulted by local authorities on planning applications which include 'development involving any land on which there is a theatre'.

Comment:

Thank you for consulting Theatres Trust regarding these applications at the Southbank Centre.

They seek extension of permission for temporary art installations beyond the end of the Summer 2022 festival until 11th November 2022. We have no objections to this and support the further granting of planning permission and advertisement consent.
